Spacious carpet bookshelf vase fireplace curtains cosy

I am Anne. I'm British and I'm going to describe you my living room.

My living room is very **spacious** and bright. I keep it clean and tidy because it is my favourite room in the house. Its walls are blue and the floor is salmon. On the floor, in the center, there is a big blue **carpet**. On it I have my two sofas, the coffee table and a stool. There is also a small round table where I sometimes put the book I am reading. I enjoy reading so there is a **bookshelf** with many books in it. On the bookshelf there is a **vase** with a small plant and an old clock. On one corner of the living room there is a big plant in a vase.

The living room is very warm in winter because it has got a **fireplace**. Above it there are some pictures. Next to the fireplace there is a round table with a table lamp on it.

There are four windows and two of them have got lovely violet **curtains** I made myself.

I like to read and have a rest in my living room. It's warm and **cosy**.
