II. Complete the text.

Visual art is a vast subject, including all kinds of **pictures** and sculptures. Artists make art for many reasons. Hundreds of years ago — when people couldn't read — painting were often designed to **illustrate** stories, especially Bible stories. And a lot of paintings were made to **decorate** churches. More recently, artists have begun to paint to **express** their own. People have always argued about art – how to make it, what it should **look** like and why. But there are no right and wrong answers. For example, some people think that paintings should look true to life. But many artists want to **create** more imaginative.
